# YOGA FOR NATURE™

## ABOUT US

Yoga For Nature is a registered non profit whose goal is to achieve sustainability & peace through effective partnerships, the teaching of Yoga and the promotion of advocacy for the environment, human and animal rights.

## WORLDWIDE YOGA

When Yoga studios & students support Yoga For Nature we connect their practice to the causes they care about most.

So when you're practicing Yoga, we are advocating for change with funds raised from memberships, Yoga For Nature™ classes & donations supporting advocacy, NFP's and NGO's on the ground.

## CORPORATE & COMMERCIAL

Yoga For Nature creates effective partnerships in the corporate & commercial space that inspire greater social responsibility and will help us reach our goal of sustainability & peace.
